We are proud to offer a bar-coded tagging system to our consignors. This system saves time and allows you to keep track of your sales.

TO CREATE YOUR BARCODED TAGS (PREFERRED METHOD), go to www.rerunssale.com and register as a consignor. Then log in and click "Work with Consigned Inventory." (Six cards will print per page.)

If you prefer not to use the online tagging system, you may write your tags by hand.

Tagging Instructions for Hand-Written Tags:

CARDS AND PINS: Use 3x5 index cards and medium to large safety pins. **TURN THE CARD VERTICALLY AND DRAW A LINE ACROSS ABOUT AN INCH FROM THE TOP. PIN ABOVE THE LINE.**

HANGERS: All clothing must be on hangers that fit the item and pinned so that the item will not fall off. The hanger hook should face to the left with the tag pinned to the **RIGHT SHOULDER** of the item as you face it.

CONSIGNOR #: Print in the upper left-hand corner **BELOW LINE.**

SIZE AND DESCRIPTION: Use a numerical size, not S, M, or L. Also, write a brief description of the item on each tag. Ex. Old Navy blue jeans w/ hearts

PRICE: You set the price of all items, so price them to sell. Keep the prices in **WHOLE DOLLAR** amounts (no .99 or .50, etc.). Generally, we recommend you set the price 1/4 to 1/3 the original cost, depending on the brand and condition of the item. ****If there is an item that you do NOT want discounted 1/2 price on Discount Day, please write ND (NO DISCOUNT) in the lower left-hand corner of the tag.**

SHOES: Excellent condition—limit 6 pairs per gender

TOYS, FURNITURE (BABY & HOUSEHOLD), EQUIPMENT: Must be in working order with batteries (if needed). Small parts should be in a clear bag and attached to the main item.

LOOSE ARTICLES: May be in clear bags with the tag pinned to the **OUTSIDE** of the bag.

SORT: ALL ITEMS MUST BE SORTED INTO SIZE AND GENDER PRIOR TO DROP-OFF!!!

WE DO ACCEPT

***CHILDREN'S FALL and WINTER clothing—Limit 150 pieces per consignor**

***ADULT FALL and WINTER clothing—limit 12 items per gender per consignor**
